2026 HCA Annual Town Dinner

The Annual Town Dinner, hosted by the Haddonfield Civic Association (HCA), is one of Haddonfield's most cherished traditions. Each year, this special evening brings together neighbors and friends to celebrate community, connection, and civic pride in a festive setting.

Since 1937, the Annual Town Dinner has honored individuals or organizations whose leadership and dedication have made a meaningful impact on the Haddonfield community. The highlight of the evening is the presentation of the [Alfred E. Driscoll Community Service Award](#) (renamed in 1975), which recognizes those who selflessly inspire others and encourage broader participation in civic life.

In addition, the dinner celebrates the talents of students from Haddonfield Memorial High School (HMHS) by awarding three HCA scholarships: [Bradshaw Literary Award](#), the [Quanci Visual Arts Award](#), and the [Kaufmann Performing Arts Award](#), which recognizes a student's participation in the performing arts.

The Haddonfield Civic Association is proud to announce that the 2026–2027 Alfred E. Driscoll Community Service Award will be presented to Joe McElroy. The HCA Board of Governors recognizes Joe for his deep commitment to Haddonfield and his extensive volunteer work across numerous community organizations and initiatives.
